Introduction

Hi All

As the next 12 months are going to be a very busy and exciting time for us all, we have tried to keep trainings to a minimum. However, if you need any additional trainings, please contact Lisa Fenton from the training team and she will be happy to assist.

Please remember your bookings should be made to County office a minimum of **two weeks** before the date of the session.

When booking your place please ensure you pay at the time and request receipts. These will then be available to you on the night.

Bookings for each of the sessions are monitored two weeks before. If we do not have a minimum of 6 names booked we will cancel the session. **Please DO NOT turn up to a session without prior notice as you may be disappointed and have a wasted journey.**

Should any sessions be cancelled we will contact all Guiders direct or via District / Division Commissioners.
